by **Barbara D. Corley**

Angelwings Herbal Products for The Home began seven years ago trying to grow my own herbs. It has grown into a small business where I have learned to make herbal soaps, bath salts, herbal sachets and gel candles. I am allergic to a lot of fragrances.

Most of those fragrances are not essential oils which are made from plant extract. Essential oils can actually create chemical change in our body. When you add Herbs, essential oils, sea salts and vegetable oils you can make all natural herbal bath salts that nurture you skin as they scent your bathroom.
